Announcement for Church Bulletins

Kindergarten and First Grade Families: Find out if your elementary school is hosting a short, nine-week program called FAST[®]--Families and Schools Together[®]. *What makes it special?* The FAST experience builds up kids, parent-child and school-family relationships, and helps children succeed at school and home. A recent meeting with our city's faith leaders and Superintendent Hite alerted our community that FAST is a great resource. You can check out the video at www.PhillyFASTi3.com and find out there if your school has a FAST program. If the website doesn't help you, contact the lead agency, Turning Points for Children (267/236-1540, FASTforKindergarten@tp4c.org). FAST looks worth checking out."

Is a partnership of five partners, funded through an Investing in Innovation Grant awarded by the U.S. Department of Education.
