

# *Out of School Time K-1 Families*

## *A Special Invitation*

### *to Families and Schools Together—FAST*

You are invited to a special program for Grade K-1 children and families. During regular OST time, Families and Schools Together® (FAST®) hosts 2.5 hour meetings one day a week over an 8 week period. At FAST, your family will share a free meal and enjoy activities that **build children's confidence**, respect, and communication skills. In FAST, you as a parent/guardian will also have time to meet other adults, share ideas, and expand your support network. FAST helps build stronger bridges between home and school—and builds up children to succeed in school.

*HAVE QUESTIONS OR WANT TO REGISTER?*
