

## WELCOME to Kindergarten!

ALL Kindergarten and First Grade families are invited to Families and Schools Together (FAST). You may have heard—

Kids say: *FAST is a blast!*

Parents say: *My child grew so much in confidence! We grew closer as a family. We also made new friends at school.*

Teachers say: *Students are so excited on FAST days! Kids come to school more sure of their abilities. They make better choices, too.*

With Families and Schools Together, our children grow in self-esteem and learning. Our community grows stronger.

**Everyone gains.**
